

Annex 2

Gantt chart of Product Area 02 “DOORS, WINDOWS, SHUTTERS, GATES AND RELATED BUILDING HARDWARE”

Product Area # 02	2022			2023												2024
Task Name	10	11	12	01	02	03	04	05	06	07	08	09	10	11	12	01
Milestone 1 – scope of product area																
–List of products																
–List of materials																
–List of intended uses																
– Relationship between product, components and ancillary products																
Milestone 2 – creation of tech. boards																
– Working plan																
– Definition of technical boards																
– Attribution of experts																
Milestone 3 – content of HTS																
–a.1 BWRs & essential characteristics																
–a.2 Classes and thresholds																
–a.3 Assessment methods																
–a.4 Maintaining performances																
–b.1 Environmental performance																
–c.1 Functional requirements																
–d.1 Inherent safety requirements																
–d.2 Inherent env. requirements																
–e.1-4 Information requirements																
–f.1 Possible conflicts																
–g.1 Simplified procedures																
Milestone 4 Final consultation and evaluation																
– Evaluation of the outcomes																
– Draft of reporting outputs																
– Consultation																
– Adoption of the outcomes
